

Small Business Development Center (SBDC)

Small Business Development Centers

Working in partnership with the U.S. Small Business Administration (SBA) and the Ohio Development Services Agency (ODSA), the Ohio SBDC at the Clermont Chamber of Commerce provides the following services:

Certified Business Advisors offer:

- Financial analysis
- Business planning process
- Strategic planning
- Technical assistance
- Information about Federal, state and local programs
- Loan packaging assistance
- Cash flow analysis
- Business start-up seminars
- Marketing, social media and other workshops

- The majority of our services are offered at *no charge* to those who own, operate or wish to start a for-profit small business.
- We are not limited by geographic territory or chamber membership.
- ***All consultations are CONFIDENTIAL.***
- **SBDC Network Specialists** are available to assist small businesses in manufacturing, exporting, government contracting, and minority and women business ownership.

An entrepreneur or owner must have a strong personal commitment to finding and implementing solutions to issues facing that company. The Ohio SBDC at the Clermont Chamber consulting approach is one of guidance and education, not completing the work for the client.
