

2023 MEMBERSHIP OPPORTUNITIES

Clermont County is a place you really can have it all, the activity, connection and conveniences of modern city living paired with the lifestyle, pace and sense of community you want. Here, there's a healthy balance of opportunities, talent, access and infrastructure, all of the things that help businesses grow and thrive.

The Clermont Chamber of Commerce believes if the community is growing and prosperous, then business will prosper. Here, the Chamber thinks beyond economic development, and works together toward advancing our community's quality of life.

The Chamber builds true partnerships, fostering collaboration and connection to the people and resources to make things happen, and make Clermont County be all it can be. And our collective investment will continue to empower action, ignite growth and influence generations to come.

We welcome the opportunity to partner with you to invest in a high quality of life here in Clermont County.

When you join the Clermont Chamber of Commerce, you gain an energetic partner dedicated to helping your business and the community succeed.

MAKE THE MOST OF YOUR MEMBERSHIP

The Clermont Chamber of Commerce is an association of nearly 700 businesses and individuals working together to guide future growth, target resources, and build on all that is great about Clermont County. **Our mission is to make Clermont County the preferred place to locate, operate, and grow a successful company** - creating job opportunities and growing the tax base. The Chamber's key initiatives are member/investor benefits, leadership development, government advocacy, business education, and economic growth.
