Being part of LEAD Clermont helped me cultivate meaningful relationships with an array of public and private sector professionals across our community. The program provides real-world, practical knowledge that I have been able to apply in my professional endeavors. I recommend the program for anyone who wants to become a more well-rounded LEADER.

This has helped us to have more resources than we would normally have at home and access things we had no idea were available for learning.

PARENT OF KLICWOW PARTICIPANT

I like seeing the variety of successes across the county. There is a lot of good going on, and I appreciate the Chamber's efforts to highlight the positives.
